

Internet/Photography Consent

Prishtina High School (PHS) maintains a website, Facebook and Instagram page as part of its effort to communicate effectively with students, parents, and the wider community. From time to time throughout the school year, PHS may post photographs and/or videos of school assemblies, classroom activities, extracurricular events, field trips, and other school-related experiences.

These materials may include images and/or the name of your child and may be used on the PHS website, Facebook page, Instagram account, newsletters, or other school-approved publications and promotional materials.

Please indicate your preference below regarding the use of your child's image and/or name in such materials.

I, _____ (Name of Parent/Guardian),

☐ Give permission to Prishtina High School to publish photographs or videos of my child, including their name, on the school's website, Facebook page, Instagram account, or other school-approved materials.

☐ Do not give permission to Prishtina High School to publish any photographs or videos of my child, or their name, in any of the above-mentioned platforms or materials.

Student Name: _____

Signature of Parent/Guardian: _____

Date: _____
